

Publikationen Architektur

- Nachhaltigkeit in der Umnutzung eines landwirtschaftlichen Betriebes, Sustainability in new utilization of farming buildings, ETH Jahrbuch Architektur 2003
- Nachhaltigkeit als architektonischer Ausdruck, Sustainable Development as an architectural expression, ETH Jahrbuch 2002

Publikationen Elektronik

- Environmental impacts in production and waste management of electronic products, ITT Charlottesville, VA 2003
- Methods and tools for implementation of IPP in European SME, Draft, 2004
- Trends in Eco Design and consequences for recycling, VIS EMPPE 2005
- Sustainability rating und Reporting in der Elektronikindustrie, IG exact 2005

Publikationen Textilindustrie

- Eco-Performance in the Lifecycle of Shoe Production, AuDes 1998
- Process technology and Markets for Eco Labelled Cotton Products Beltwide Cotton Conference 1999
- Branchenlösung Textilindustrie, Textiltechnisches Seminar ETH 1999
- Benchmarking in Cotton Spinning by ISO 14 000, Beltwide Cotton Conference 2000
- Sustainable Development in Enterprises, CIRP 2000
- BioRé Tagung 2000
- Wege zur Nachhaltigkeit in der Europäischen Textilindustrie, ETH Neujahrsblatt 2000
- Environmental impacts of different cotton growing regimes, International Cotton Conference Bremen 2001
- Life Cycle Assessment of a cotton fabric in finishing, Fiber Society Conference 2001
- Sustainability in cotton growing, Budapest 2002
- Technical specification, environmental impacts and costs of textile processing in Europe, Beltwide cotton conference 2002
- LCA and evaluation of environmental recycling concepts for a PES T-Shirt, COST Action 628, 2003
- Evaluation of the Task force BAT, COST Action 628, 2004
- LCA and Recycling of PA6, Polyamide 2005
- Ecological Key Figures for benchmarking of Textiles, Fiber Society Conference 2005
